Finance is available to approved applicants only Active Money provides both a Commercial Rent-Lease program for commercial goods and a Consumer Finance program for consumer goods. Repayments, interest rate, fees and associated charges may vary between programs. Your retailer will advise the program that this repayment offer is made under and will be confirmed upon application for finance being made. Due to the variation of lending program specifications we are unable to provide a comparison rate immediately. A comparison interest rate will be provided for personal finance upon application and approval of an application for finance. Full details are available upon application. The relevant lender's normal fees, charges and lending conditions apply. The amount quoted may vary at the discretion of the lender and is an indication only of the scheduled repayment and is based on the current maximum Active Money interest rate over 5 (five) Years. Weekly repayments quoted include any relevant application, monthly account keeping fees and repayment fees that may be applicable. Information is correct as at 06-2009.
